

To Our Valued Customers:

We will remain open during the shutdown. However, we will be making some changes to the way we conduct business for the next few weeks, for our protection and yours. We will take appropriate precautions with our workspace, ie wearing gloves, wiping down surfaces, etc.

Starting Monday, 23 March, we ask that you call and make an appointment to see any of our used cars or our motorcycles. We cannot permit walk-in appointments.

Please avail yourself of our media platforms, facebook and/or Instagram, to see our inventory and to make inquiries.

Please feel free to call us at 518.708.6700 with questions or email info@royalenfieldalbanyny.com or tabitha@precisionalbany.com.
